

To our Club Fam,

On January 7, the provincial government announced that Alberta's health restrictions will be extended until at least January 21, 2021. As a result, our clubs will remain closed until these restrictions are lifted.

As promised, all in-club memberships have been frozen and will resume billing when we reopen. You can stay active by tuning in with our friends over at GYMVMT on [Facebook](#) and [Instagram](#) or through [GYMVMT GO](#).

We cannot thank you enough for your patience and understanding as we continue to pivot our business to support our community.

If you have any questions, you can connect with our team by completing the form on [clubfit.ca](#).

Thank you for your continued support, Edmonton.

The ClubFit Team
